**RA COMMUNICATIONS SELECTS FIRST INTERN**  
***Talented student skilled in customer service and communications***

**SEPTEMBER 20, 2016 (Chicago, IL)** – Ra Communications has selected its first intern for 2016! Staff are excited to welcome the talented student to the team.

Amatullah Muhammad, a sophomore at Muhammad University of Islam (MUI), was selected based on her customer service and communications experience. Her responsibilities will include developing a strong social media presence for Ra Communications.

“We are very excited to bring this student onboard as our first intern,” says Rashida Rawls, president and CEO of Ra Communications. “Amatullah is brilliant, articulate, professional, enthusiastic and really a joy to be around.”

Ms. Muhammad has served as a school ambassador for MUI, a project manager and team member of Project SYNCERE (an engineering program), an assistant coordinator for Zenith Dance Company at MUI and most recently as an assistant stage manager with Project Y.O.U. at the Harold Washington Cultural Center with WVON.

“We have a lot of ideas for her,” Ms. Rawls says. “I look forward to seeing what her contributions to Ra Communications will be!”
